With the right workstation, you'll get rock star-results.

The powerful new HP xw9300 Workstation delivers top-of-the-line dual-processing performance, large computation and visualization capacity, the ultimate expandability engineered into a totally tool-less chassis, and ground breaking technology including

- **AMD Opteron™ processor** — Industry leading performance that gives you the ability to run both 32- and 64-bit applications simultaneously. AMD64 with Direct Connect Architecture helps eliminate bottlenecks by directly connecting the processors, the memory and the I/O to the CPU.
- **NVIDIA Quadro® FX** —Award-winning quality and precision, along with the ISV certifications that professionals demand for the very best computing experience.
- **NVIDIA nForce™ Professional** featuring NVIDIA® SLI™ Multi-GPU technology — Specifically designed for workstation environments for industrial-strength performance with dual x16 PCI Express graphics capability.
